Dear Parent/Carer

'Looking Ahead' Evening - An Introduction to Horsforth School for new Year 7 Parents

I am delighted that your child has been offered a place to join our school this September. The school is once again at its admission limit of 225 students, however this number is not yet finalised as many parents are still appealing for places.

Now your child has been offered a place with us, I would like to invite you to an information evening on Thursday 30 March at 6.00pm. The purpose of this evening is to explain what will happen in the coming months to support your child's transition to Horsforth School.

Can I advise that even if you have older children at Horsforth, it would still be worth your while attending, as our transition process has changed somewhat recently and we also have some new information to give you.

I will use this opportunity to outline key dates and events in the summer term which will be important for both you and your child.

The Headteacher, Dr Paul Bell, will also be giving a 'Head start' presentation which will give you information on how to best support your child with literacy and numeracy between now and September to ensure that they are well prepared to make a positive start to Year 7.

Following this, there will be an opportunity for you to ask us questions. We may not be able to answer all of your queries on this evening but there will be a further opportunity on our 'New Intake Evening' on 20 June when you will be given lots more information about specific policies, routines and processes in school.

We anticipate that the evening will last approximately one hour in total. I am afraid that, due to anticipated numbers attending, we will only be able to accommodate Parents/Carers on this evening.

I look forward to meeting you then.

Yours Sincerely

Katie McFadden
