Science fair

Courtyard update...

The courtyard committee have met to come up with suggestions on how our Year 7 space can be improved....Miss McFadden is looking into their ideas. Part of the money raised from the Easter fair will go towards this.

March saw the 2nd annual Science Fair for Year 7 at Horsforth School. Students had been working on their individual projects for months. We were absolutely blown away by the time and effort the students put into their work and it was really tough to pick the winners.

The overall winner was Alex Otteslev in 7G — Well done Alex.

Coming up

- More transition events for ambassadors to be involved in during May, June and July
- Rewards' day is on 11th July

Easter Fair - students rallied together to create fun packed stalls on Tue 28 March for our annual Easter fair in the courtyard. They raised a total of £191.42 for our school charity—well done and thank you to all involved!

Red Nose day

Students wore red to raise money for this great cause – as a school we raised over £1000 for the charity!

Online bullying-Tips

WHAT CAN STUDENTS DO?

1. Don't respond to any online or text messages sent by cyberbullies.
2. Don't be an accomplice by forwarding any of the messages to others students.
3. Save and print out all the messages as proof and evidence of cyberbullying.
4. If you are being bullied, tell an adult immediately to get help solving the problem.

The form who received the prize for the highest attendance last half term was

7B-well done!

Competition time

Year 7 are encouraged to work as teams to have good attendance. The form group with the highest attendance each half term wins a prize. Easter treats were awarded to the form with the highest attendance for half term 4.

7B are currently the form to beat!

Students can now email bullybox@horsforthschool.org if they have any concerns.

If students are concerned they can speak to their Form Tutor, Miss McFadden, BST, the anti-bullying ambassadors or any adult in school.

Year 7 Ambassadors

Several Year 7s volunteered to become Year 7 ambassadors this term.

Their first task was to help Miss McFadden with the 'Looking Ahead' evening in March for Year 6 parents.

A special thanks goes to those who have volunteered to speak about their own experiences of the transition in front of nearly 200 parents!

In May some students will join us in welcoming our

Year 6s at our first student event - The Getting to know us sessions, they will answer Year 6's questions in a series of session including a Q and A!

There will be more opportunities later in the year too.
