Dear Parent / Carer / Student

We are writing to all Year 11 parents, carers and students to make you aware of the application process for the Sixth Form at Horsforth for September 2025.

Year 11 'next steps week' takes place Monday 11 to Friday 15 November and involves a variety of assemblies informing students about possible options after their GCSE examinations. As well as providers such as Leeds City College the students will also hear talks from the Sixth Form team and current Sixth Form Subject Ambassadors telling them about the opportunities available to them should they wish to join us in September 2025. The application process will also be gone through in detail. In addition, Year 11 students are invited onto the Sixth Form Campus on Wednesday 13 November to speak with Subject Ambassadors to find out more about their potential subject choices for September. This event will also give students the opportunity to sample life as a Sixth Form student.

Please note that the Sixth Form Open Evening on Thursday 14 November has now sold out. A second Sixth Form Open Evening will take place on Thursday 23 January 2025. Please register your interest [here](#) and then we will let you know when the tickets for this event are available to book.

This year, the Sixth Form application process for our current Year 11 students will open on **Thursday 14 November** and the application form will be completed [online](#). An email inviting applications to the Sixth Form will be sent directly to all Year 11 students using their Horsforth School email address. If a student for any reason does not receive or forgets their login details they will be able to logon using their Horsforth School email address and by clicking on 'forgotten password'. If a student wishes to apply to the Sixth Form the application form must be completed **by Friday 4 April 2025**. Please be aware that if an insufficient number of students opt for a particular subject it may not run. We will inform you if this is the case once all students have chosen their options.

Group interviews with the Sixth Form Team will be held for all students who apply to our Sixth Form at the end of January / beginning of February 2025. Confirmation of students' offers will then be emailed to students and parents / carers by the end of February.

Once they have received a conditional offer should a student wish to change their subject options they can do so up until **Friday 4 April 2025**.

*'Opportunity and achievement for all'*
