Headteacher: Dr P C Bell

Dear parents and carers

We hope you are all well. Now we are into the final half term we now have an area on our website where we can start dropping information and resources to help with Year 6 transition.

We appreciate some students will now have returned to school and others won't for various reasons.

We are also sending these resources, and others as we go along, to our partner primaries so they are aware but can also use these to support students should they wish and be able to.

As previously mentioned, much of the information you need about Horsforth school is on our website in the various areas but we wanted one central place to share all of our transition specific resources that we would have ordinarily have been using with students and parents/carers over the coming weeks.

Items will be added gradually so don't expect everything there all at once.

To start with there is a short quiz which students can have a go at to assess their knowledge of Horsforth School already. There is also a who's who document which they can read to familiarise themselves with some key staff in school.

Following this, next week there will be a presentation video which contains the answers to the quiz and lots more.

We hope these initial resources are of use. The area of the website where these are located is shown below

The screenshot shows the top of the Horsforth School website. At the top left is the school logo. To the right is a search bar and social media icons for Facebook, Twitter, Instagram, and LinkedIn. Below that is a horizontal navigation menu with links: ABOUT, HIRE OUR FACILITIES, USEFUL INFORMATION, NEWS, CALENDAR, VACANCIES, CONTACT US. Below the navigation menu is a dark green banner with the text 'IMPORTANT INFORMATION - SCHOOL CLOSED'. Underneath the banner, it says 'All important letters sent to parents/carers can be found on this website, look under your child's year group for 'Letters Home''. There are two yellow links: 'This is link to our student remote learning website' and 'This is the link to our Year 6 into Year 7 transition information'. A green arrow points to the second link.

Kind regards  
Miss McFadden
