Headteacher: Dr Bell

18 June 2020

Dear Y6 parents/Carers and Year 6 Students

We hope you all remain well and your families do too.

We also hope you've managed to have a look at the area of our website we have dedicated to you and will keep adding information over the time until you start with us.

We don't want to give you everything at once so will add things gradually.

This week you can see a video from me and Miss Dalton who will be your Year 7 leaders- we tell you a bit about what our roles are in school both now and when you arrive with us.

<https://youtu.be/PgHmgvQLd7M>

You can also watch our getting to know us video. Here we go through some of the questions you would likely have asked on our getting to know us days.

<https://youtu.be/0pnueOxAjZw>

More information will follow soon such as a map, a checklist of what you'll need, information about our behaviour systems and uniform and also a Question and Answer session with some of our Year 7s!

Keep checking back on our website for updates but we will always email you too.

Stay safe and enjoy.

Miss McFadden
