Headteacher: Dr Bell

25 June 2020

Good morning all, we hope you are well

A little update regarding transition

You will now have looked at our area of the website dedicated to Year 6 transition

We hope you and your child/children have found these useful so far

As we said initially, we intend to add things weekly to try and help with the process

We are now pleased to be able to release more material. This week we have...

a checklist to help students start preparations for transition

a video of some of our Year 7 ambassadors answering some Year 6 'frequently asked questions'

a link to a form which students can use to submit any questions they have; we aim to do a follow up Q and A session with our answers to as many of these as we can

<https://www.horsforthschool.org/useful-information/admissions-and-open-days/#tran>

We know many of you will be eager to find out about uniform and also behaviour and attendance expectations; these are on their way. We will also be sharing more information with regards to SEND support as well as other things over the coming weeks.

We really hope these help; please forgive us-we are not film stars quite yet and have had some technical difficulties although are doing our best in the circumstances!

Kind regards

Miss McFadden and Miss Dalton
