

WHAT I NEED TO PREPARE FOR SEPTEMBER

You can tick these off as you prepare them

Uniform (see the uniform video)

You will need to get these from our uniform suppliers

- A tie (silver stripe) You may wish to get 2 of these so you have spares
- A school jumper - You may wish to get 2 of these so you have spares
- Girls; A school skirt if you'd like to wear one (with our logo on)
- PE kit (including trainers) and PE bag - most students use a draw string bag

You will also need these but they can be bought at any shop supplying school uniform

- Black/white socks or black tights
- Black school shoes
- Black school trousers (unless wearing a skirt)
- White shirt (not a polo shirt)

My route to school

You should plan and prepare for your travel to school

- Have you planned how you will get to school...walk/car/bus?
- Practise the route - how long does it take?
- Work out what time you will need to set off to get to school between 8.00am and 8.15am

Equipment

- Bag; A rucksack or satchel ideally big enough to hold your books, planner, pencil case, water bottle, lunch/snack box, purse
- Pencil case with pens, pencils, sharpener, ruler, rubber, compasses and protractor
- Purse/wallet for lunch card and change for resources/top up lunch card
- Snack/lunchbox if needed
- Water bottle

A place to store my things and work at home

- Find a place for homework; Why not look for a place in your house where you think you can do homework; a desk or area that is quiet and has a flat surface
- Find a place for my books; Where are you going to store your books? You may want to dedicate a shelf

In September we will provide you with your planner, timetable and lunch card. We will also sort lockers then if you would like one which we recommend.
