Dear Parents/ Carers,

I know there is a lot of uncertainty this morning around how the government announcement last night will affect the exams this summer. In the guidance that was released yesterday it stated:

***‘In the circumstances, we do not think it is possible for all exams in the summer to go ahead as planned. We will accordingly be working with Ofqual to consult rapidly to put in place alternative arrangements that will allow students to progress fairly’.***

It therefore implies that some exams will go ahead and that there will be some form of assessments that will take place; therefore we have emailed all year 11 and 13 students this morning to say that it is incredibly important that they still continue to attend all remote learning sessions until we have further guidance. We have also asked them to contact us if they need any support.

Once we find out more information, we will share it with you. Thank you as ever for your ongoing support.

Kind regards

Mrs Z Comiskey  
Deputy Headteacher
