8 September 2021

Dear Parent/Carer

### **Year 11 Parent / Carer Information Evening: Monday 20 September at 6.00 pm**

Year 11 is obviously a very important time in any student's school life. GCSE results control the options that young people have for their future, whether they wish to stay at Horsforth into our Sixth Form, start employment or seek occupational training at college.

We would like to invite you to attend an Information Evening on **20 September commencing at 6.00 pm**. There will be a talk in the school hall and some subject specific talks within classrooms. We are trying to limit the number of parents in one room at a time so we will be directing parents to different rooms to try to support social distancing. We also ask that only one parent from each household attends where possible and no student needs to attend as the information will be covered in assemblies and form time.

We will share the key aspects of Year 11, the support systems we offer and possible strategies for success in more detail. The first mock exams begin before half term and so we will give further information regarding these as well as:

- Key dates/events in Year 11
- Examination preparation
- Support systems in School
- School - home communication

**The GCSE results your son/daughter achieves in the summer will affect their future, so we would like to highlight the importance of this evening and urge you to attend.**

Please **[CLICK HERE](#)** to confirm if you will be attending.

If you require any further information about the evening or wish to discuss progress please contact either Mrs Comiskey or Mr Bennett at school.

Yours sincerely,

Mrs Z Comiskey  
Deputy Headteacher

Mr L Bennett  
Year Leader, Year 11
