*'Opportunity and achievement for all'*

## **Remote Learning**

Remote learning will be set for the day(s) and students are expected to complete this. The exception is the period in which the student's appointment for their test is e.g. if a student's appointment is period 3, they will not be set work for this or be expected to be online for this.

Remote learning set will be in line with school policy with a live teaching element.

## **Plan for testing**

We will be looking to test all secondary school and college age students as they return to school. Following the test within school, students will be asked to test themselves at home twice weekly and register the test results with the NHS. Test kits will be given to students to administer at home once the in-school testing has been completed.

## **When can my child return to face to face lessons?**

Students can return to face to face teaching the day after they have completed their test and received a negative result. Year 7, 11 and 13 can return to school and full lessons on Wednesday 5<sup>th</sup> and all other Years on Thursday 6<sup>th</sup> January. If students in Years 7, 11 or 13 have PE on Wednesday 5<sup>th</sup> they should come to school in PE kit as the changing rooms will not be available, they will be in use for staff in the Testing Site to change in and out of PPE.

## **Catering**

We will be operating a reduced catering service on Wednesday 5<sup>th</sup> January as many kitchen staff will be deployed in our testing centre.

## **How the tests work**

Those taking the test will be supervised by trained staff and volunteers. The lateral flow tests are quick and easy to undertake, using a swab of the nose. Results take around 15 minutes from testing. Following the test, **students will bring home an NHS Lateral Flow Registration Card for you to register**. You must register within 24 hours. You will be asked to enter the Test Site ID which is HFNE. The student (or parent/guardian for students under 16) will receive a text/email notification of a positive or negative result from the online NHS system. The school will inform you of a positive test result for your son/daughter.

## **What if my child tests positive?**

If a pupil tests positive on a lateral flow device, they will need to self-isolate for 10 days, and follow the guidance from NHS Test and Trace.

Please complete the **linked consent form by Sunday 2<sup>nd</sup> January 2022**. **If you do not wish STUDENT NAME to participate in the lateral flow testing programme, please email [info@horsforthschool.org](mailto:info@horsforthschool.org)**

You can read how your data will be used below.

Yours faithfully,

Dr P C Bell
