

## Who's Who at Horsforth?

Here is an introduction to some of the key people you will meet in year 7

<p><b>DR BELL</b></p> 	<p>Dr Bell is the Headteacher at Horsforth School. His job is to oversee everything that happens in school. He makes decisions on the things we learn and the way we do things in school.</p> <p>Miss McFadden reports to Dr Bell on how Year 7 are getting on each week</p>
<p><b>MISS MCFADDEN</b></p> 	<p>Miss McFadden is one of the Assistant Headteachers in school and is the Pastoral Lead for transition from Year 6 into Year 7 which means she talks to your primary teachers to find out a little bit about you and how you are doing in school before you arrive. She will plan lots of the transition to Horsforth School.</p> <p>She is also the Year coordinator for year 7 which means when you arrive in school it's her job to work with the form tutors and keep an eye on your progress and attitude towards your learning. She will lead your assemblies and what you do in form time.</p> <p>She is also here to support you. She can make decisions about the groups you are in, can talk to your teachers and works closely with Miss Hardy on behaviour and attendance too. She also helps students in school who have additional worries or need a bit of extra help. Miss McFadden will also talk to people about their behaviour if she is worried it is going to mean they are not safe.</p>
<p><b>MRS NOWELL</b></p> 	<p>Mrs Nowell is one of two Deputy Headteachers in school. She works closely with Miss McFadden and Mrs Hardy.</p> <p>Mrs Nowell manages Pastoral Care and something called Safeguarding in the school. Her job is to make sure we are all safe in school.</p>
<p><b>MRS HARDY</b></p> 	<p>Mrs Hardy is the pastoral and behaviour officer for year 7 (PBO). It means she has to make sure your behaviour is good, your attendance is good, you are happy in school and have the support you need. She works closely with Miss McFadden and the form tutors too. She will also talk with my parents or carers to try and support me.</p> <p>Mrs Hardy is the person who sometimes has to explain why things have gone wrong and try and help me make changes so it doesn't happen again.</p>
<p><b>MRS BAINBRIDGE</b></p> 	<p>Mrs Bainbridge is the pastoral assistant for Year 7 and 8. She works in the hub. She will usually know the answer to your questions and is always happy to help!</p> <p>Mrs Bainbridge does lots of work behind the scenes like arranging our trip which we plan to take in the autumn term if we can.</p>
