

Year 9 into 10 Options 2023

Dear Parent/Carer,

Many thanks to all of you that were able to join us for the Year 9 into 10 options evening last night. It was wonderful to see so many of you there, and I hope you found it useful. For anyone who was unable to attend, please find attached a pdf copy of the presentation used to explain the process.

Also attached to this e-mail are a copy of the options information booklet (all students should have a paper copy of this) which gives details for the different subjects including video guides, and a guide to accessing the Options Online programme.

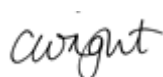

Students can now submit their option choices via **Options Online**. Students will receive a link to the website and instructions via their school e-mail today so please encourage them to check their school account as soon as possible. If you have any technical problems accessing this system please contact school via parentlogons@horsforthschool.org

Below are some of the remaining key dates for the options process this term;
